QUESTIONS AND ANSWERS 2

RFP Number: JDR2017

Juvenile Dependency Representation

July 17, 2017

Q4: On Exhibit D, form 4 we are asked to classify employees. Where would paralegals fall?

A4: For the avoidance of confusion, please note that you are not required to submit the reports in Exhibit D of the Contract as part of your proposal. The newly appointed counsel will need to submit the reports after the services commence in January 2018.

The Court is required by the Judicial Council of California to collect the information on the forms in Exhibit D. The Court has sought guidance from the Judicial Council with regard to the classification of paralegals on form 4, but has not yet received an answer. The Court hopes to have an answer prior to execution of the contract.
