

Superior Court of California County of San Benito

Tentative Decisions for February 5, 2025

Courtroom #1: Judge J. Omar Rodriguez

FL-13-00372 Arreola v. Arreola

Respondent's Request to Terminate Post Judgment Spousal Support is DENIED. There are no changes to the circumstances to warrant such a modification. This is Respondent's second time making such a request and his previous request was denied on February 7, 2020 due to Respondent's failure to establish a substantial change in circumstances. In 2020, it was found that Respondent's income was \$11,041 and Petitioner's income was \$1,602. While the parties' incomes have both increased to \$14,500 and \$4,500, respectively, Respondent admits in his supporting declaration that living expenses have increased for both sides. There is no evidence, beyond the conclusory allegation from Respondent, that Petitioner is now living beyond the standard of living.

FL-22-00158 Robles vs. Oropeza

Petitioner's Requests for Bifurcation and Waiver of Respondent's Preliminary Disclosure are DENIED. Petitioner failed to serve his preliminary declarations of disclosure on Respondent and failed to serve and file a completed Income and Expense Declaration. No good cause exists to bifurcate the matter and terminate marital status.

FL-24-00099 Lopez v. Lopez

Petitioner's Request for Voluntary Waiver of Preliminary Disclosure per Family Code section 2017(b)(3) is DENIED without prejudice. Petitioner failed to file a proof of service.
